Hey Mike,

If this is mostly construction-related, then I don't need to call in! I'll be traveling to Creede, CO anyway for the Nelson Tunnel site.

Thanks,  
Dania

I would like to have a short update between EPA and DEQ. The first ½ hour would be CFAC; Update on phase II startup.

The rest of the time discussing Libby. Updates on O&M/ICs, OU3, Construction update etc.

I will be in Helena for the 3<sup>rd</sup> already and we can have Stan, Max and Dania if available call in. Bill will be on leave.
